Subject: Condensate Trap Detail

Response Required By: June 03, 2016

Drawing / Spec Reference:

Information Requested:

The details in the mechanical drawings do not show a typical detail for condensate traps.

Is there a typical condensate trap detail that needs to be followed or will manufacturer's recommendations suffice?

Response:

Manufacturer's recommendations are sufficient with plugs for cleaning, see attached detail.

ARCHITECT'S RESPONSE:

This information is provided as an interpretation of the Contract Documents for implementation. It is not an authorization for change to the Contract Sum or Contract Time. If this information results in a claim for a change to the Contract, the Contractor shall notify the [Construction Manager][Architect] of a change through the change process.
