REQUEST FOR INFORMATION DATE: July 05, 2016 NO.: RFI-189

To: Cannon Design

Attn: Kelvin Patel

From: Paric Corporation

Requested By: Joe Voypick

Project Name: 15051-Webster University Interdisciplinary Science Building Project No.: 15051

Subject: Requesting Furniture Plan for Coordination

Response Required By: July 12, 2016

Drawing / Spec Reference:

Information Requested:

Paric requests the dwg or rvt file used for the furniture plan to use for locating ductwork, equipment, and diffusers for maintenance and access. This will also be used to locate any connections needed for owner provided equipment or furniture.

Response:

.

ARCHITECT'S RESPONSE:

This information is provided as an interpretation of the Contract Documents for implementation. It is not an authorization for change to the Contract Sum or Contract Time. If this information results in a claim for a change to the Contract, the Contractor shall notify the [Construction Manager][Architect] of a change through the change process.

Cc: Kathy Bathe, Paric Corporation

Autocad was forwarded separately to Devin Gates and Jason Szachnieski. Email is attached. Note that furniture plans are for reference only - they have not been finalized per Spellman Brady.

Hi Devin and Jason.

Attached are the AutoCAD plans requested by RFI 189. Please see Spellman Brady's caution on the use of these in the below email – they are not finalized.

Subject: RE: WU ISB RFI 189

Please see attached.

I would caution that these furniture layouts have been given an initial blessing by the university, but the exact products and layouts will not be finalized until the end of this year. These layouts were used for reference only and to get initial feedback.

Thanks.
