Subject: Cadaver lab table connection detail

Response Required By: July 18, 2016

Drawing / Spec Reference:

Information Requested:

Please provide a detail for the cadaver lab tables with connection details for exhaust duct work.

Response:

We do not confirmation of the cadaver lab tables the owner plans to purchase. Based on the information given the attached table is the basis of design. The table has a 6" round connection with a damper. Provide a duct connection thru wall with flexible duct connected to table.

ARCHITECT'S RESPONSE:

This information is provided as an interpretation of the Contract Documents for implementation. It is not an authorization for change to the Contract Sum or Contract Time. If this information results in a claim for a change to the Contract, the Contractor shall notify the [Construction Manager][Architect] of a change through the change process.
