Subject: Keynote L.25 Fire Extinguisher Type

Response Required By: July 17, 2017

Drawing / Spec Reference:

Information Requested:

Keynote L.25 calls out for the fire extinguishers to be OFOI. Please confirm that these extinguishers are to be similar to the J.L. Industries Cosmic 10E that we have approved for the rest of the building. If these extinguishers are supposed to be different since they are located in labs, please provide Model # so Paric can proceed with pricing these into their scope of work.

Response:

As noted this is a OFOI item. The product selection is to be made by Owner.

ARCHITECT'S RESPONSE:

This information is provided as an interpretation of the Contract Documents for implementation. It is not an authorization for change to the Contract Sum or Contract Time. If this information results in a claim for a change to the Contract, the Contractor shall notify the [Construction Manager][Architect] of a change through the change process.
