Importance: High

Amanda,

I am writing to confirm the elimination of the carpet insets at the locations noted below in your email. Thanks for your assistance with this matter.

CAM Sr.

Subject: Webster ISB - 1st & 2nd Floor Carpet Insets

Craig,

During the workshops, there were concerns from facilities regarding maintenance of carpet insets in the high-traffic lobby areas. It was also mentioned that these spaces need to be flexible to accommodate various furniture layouts for special events. Based on these concerns, would you prefer to eliminate the carpet insets at these locations? Please let me know if you would like to discuss the change. Thanks!

Carpet inset in the corridor outside the lecture hall (floor 1)

Carpet inset in the main lobby (floor 2)
