

Mockup B- Top and Back View

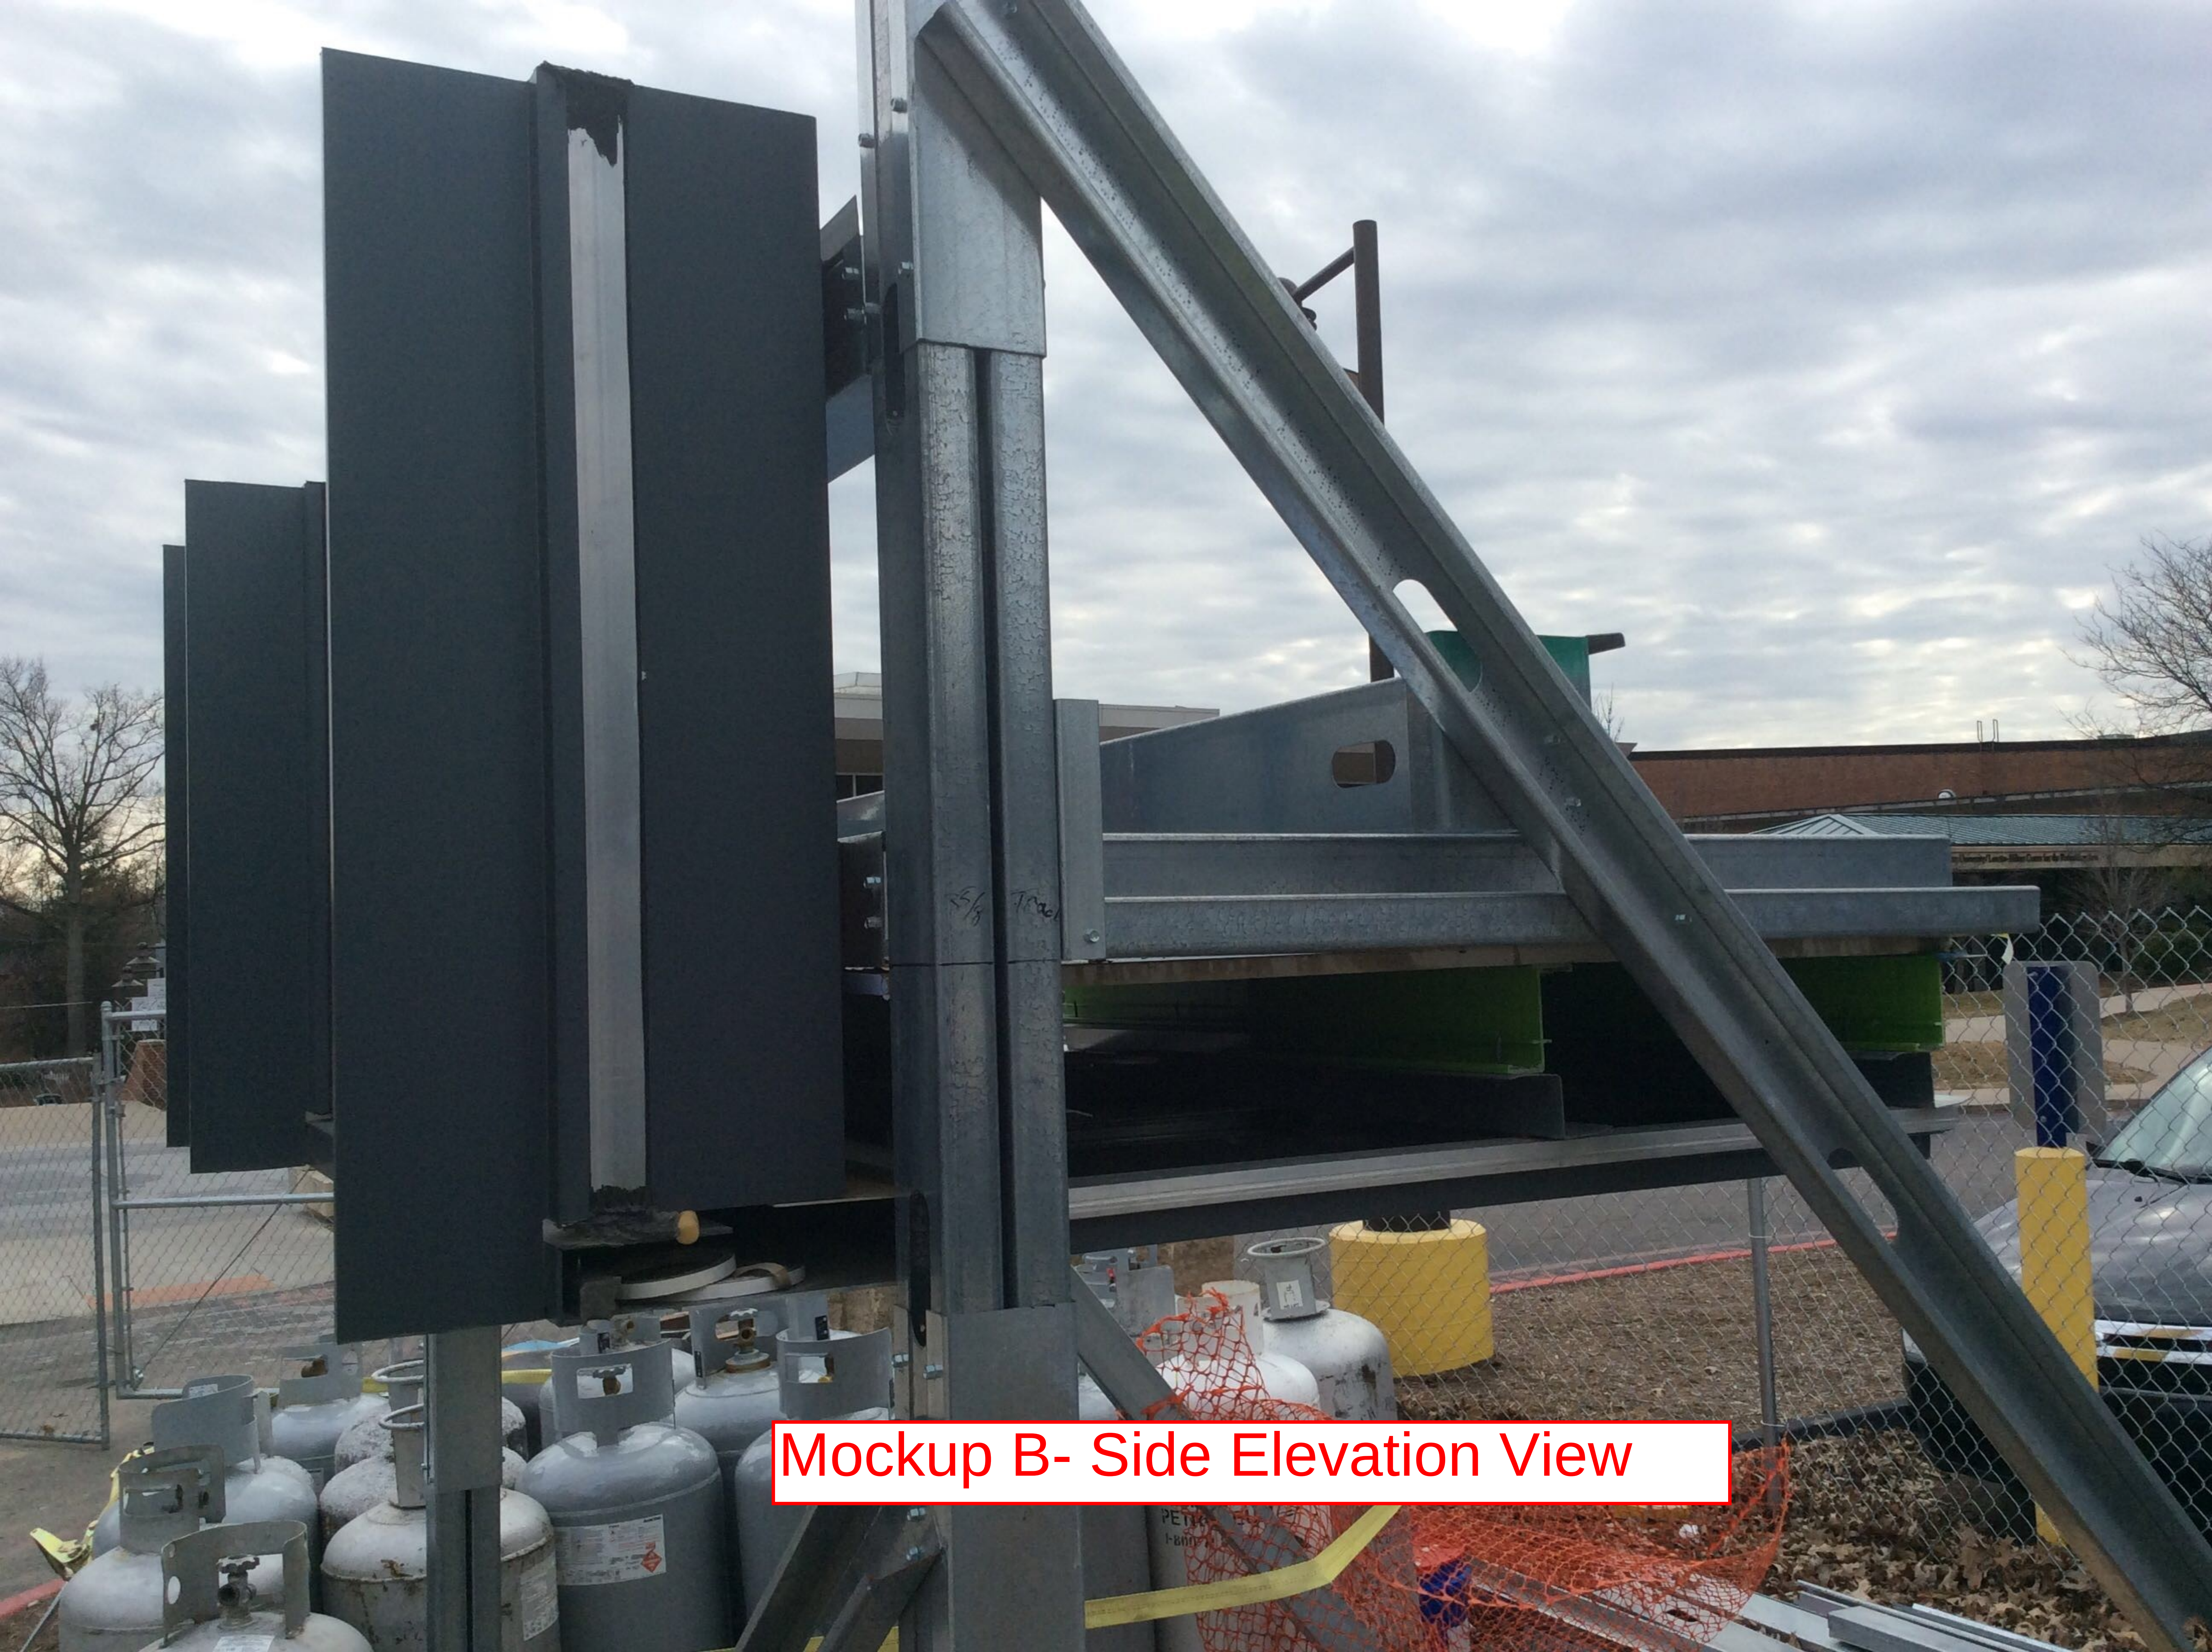

Mockup B- Underside View

Metal panel color revised to Gold Shimmer. See submittal. Sprinkler head cover plate to match metal panel color

Mockup B- Front Elevation View

Mockup B- Side Elevation View

Mockup A- Side Elevation View

Mockup A- Side Elevation View

Mockup A- Front Elevation View

Mockup A- Rear Elevation View

Mockup A- Rear Elevation View

Mockup A- Rear Elevation View

The image shows the rear elevation of a mockup structure. It features a complex steel frame with vertical and horizontal members. There are large windows with dark frames. In the foreground, there is a brick wall section, a stack of red bricks, and some construction materials like yellow hoses and white buckets. A white box with red text is overlaid on the left side of the image.

Radius brick
mockup. See
KWA report
dated 2/1/17 for
