RE: Spectrem 1- Green Building Product Information (LEED® Information)

Tremco, as an organization, is committed to quality, responsive to both internal and external customers, our employees, our community and environment, and we will treat all with respect and good stewardship.

Tremco Inc. certifies the following information for Spectrem 1

Regional Materials:

Spectrem 1 is manufactured in Toronto, Ontario, Canada.

No single extracted material is used to produce the majority of this product. Additionally, all raw materials come from one of several sources which in turn come from one of several raw material feed stocks. As such, point source for the raw materials cannot be determined.

Recycled Content Information:

Recycled content for Spectrem 1 is not available, and for the purposes of LEED reporting should be assumed to be zero.

VOC Content Information:

Spectrem 1 has a VOC content of 1g/l equaling 0% by weight as applied/mixed.

The VOC content is below limits set by SCAQMD.

Additional Information:

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,

A handwritten signature in blue ink, appearing to read "Amy Woodard", is written over a light blue circular stamp.

RE: Spectrem 2- Green Building Product Information (LEED® Information)

Tremco, as an organization, is committed to quality, responsive to both internal and external customers, our employees, our community and environment, and we will treat all with respect and good stewardship.

Tremco Inc. certifies the following information for Spectrem 2

Regional Materials:

Spectrem 2 is manufactured in Toronto, Ontario, Canada.

No single extracted material is used to produce the majority of this product. Additionally, all raw materials come from one of several sources which in turn come from one of several raw material feed stocks. As such, point source for the raw materials cannot be determined.

Recycled Content Information:

Recycled content for Spectrem 2 is not available, and for the purposes of LEED reporting should be assumed to be zero.

VOC Content Information:

Spectrem 2 has a VOC content of 42g/l equaling 3% by weight as applied/mixed.

Spectrem 2's VOC values are below limits set by SCAQMD.

Additional Information:

Note: VOC content values are as reported for the highest VOC content color for all Spectrem 2 colors. Other colors may have a lower VOC content reported on the MSDS.

Should you have any questions or require additional information, please do not hesitate to contact Technical Services or your local Tremco Field Representative.

Sincerely,

A handwritten signature in blue ink, appearing to read "Amy Woodard".

RECEIVED DATE

- ☒ **A. No Exceptions Taken**
No further review of submittal is required.
- ☐ **B. Make Corrections Noted**
Incorporate corrections in work; resubmission is not required.
- ☐ **C. Revise and Resubmit**
Revise as noted, and resubmit for review.
- ☐ **D. Rejected**
Submittal is not in compliance with Contract Documents; provide new submittal.
- ☐ **E. For Record / Information Only**
Submittal was reviewed for Record / Information purposes only.
- ☐ **F. Not Required for Review**
Submittal is not required by Contract Documents and has not been reviewed.

Review is for conformance with the design concept of this project and for general compliance with contract documents. Contractor is responsible for quantities, dimensions and compliance with contract documents and for information that pertains to fabrication processes, construction techniques and coordination of this work with all trades which will be affected thereby. This review is null and void if submittal deviates from contract documents and does not indicate or note deviations.

A/E COMMENTS

☐ See attached sheet(s) for additional comments

To be utilized only in locations per 079200 specifications and not for 084423 Structural-Sealant-Glazed Curtain Walls
