I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS OUTLINED BELOW AND ACCEPT THIS PROPOSAL. THIS PROPOSAL IS GOOD FOR 30 DAYS.

SPELLMAN BRADY & COMPANY'S ("SELLER'S") TERMS AND CONDITIONS:

PRICING SHOWN ON THIS PROPOSAL IS VALID FOR 30 DAYS FROM THE DATE SHOWN ON FIRST PAGE HEREOF.

ACCEPTANCE

Any acceptance of this proposal is limited to acceptance of the express terms contained on the face hereof. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this offer in Buyer's purchase order, acceptance, or otherwise, is hereby objected to and rejected, but such proposals shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods, but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by Buyer without said additional or different terms. If this proposal shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained on the face hereof. Additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this proposal shall be deemed material and are objected to and rejected.

PAYMENT

Seller's terms are due upon receipt. A signed original copy of the proposal, and specified, non-refundable, deposit for the furniture, fabric and equipment total is required to process an order. 90% of the remaining balance is due when the goods are received at our warehouse. The remaining balance of 10% is due upon Buyer's receipt of the product. All unpaid items will be subject to a late payment fee computed at the rate of the lesser of one and one half percent (1 ½%) per month (an effective rate of eighteen percent (18%) per annum) or the maximum rate allowed by law on the declining balance unpaid for more than thirty (30) days after the date of the invoice. Buyer shall pay Seller all costs of collection on past due accounts, including, but not limited to, reasonable attorneys fees, whether or not litigation is commenced in aid thereof. If Buyer fails to fulfill the terms of payment on any order, Seller, in addition to all of its other legal and equitable rights and remedies, but not in limitation thereof, may defer all further shipments until such payments are made or may, at its option, cancel the order. Seller reserves the right, even after partial shipment on account of any order, to require satisfactory security from Buyer for performance of Buyer's obligations. Buyer's refusal to furnish such security will entitle Seller to suspend shipments until such security is furnished and will entitle Seller, at its option, to cancel the order. In such event, Buyer shall nevertheless be required to pay for such shipments as may have been received by Buyer prior to Seller's cancellation of the order. Buyer represents that it is solvent and on each delivery this representation shall be deemed renewed unless notice to the contrary is given in writing by Buyer to Seller at or before delivery of the goods.

CANCELLATIONS OR RETURNS

Seller's furniture vendors operate on a made-to-order manufacturing process. Due to the manufacturer's production scheduling policies, the order is no longer subject to change or cancellation once the order is received and production is scheduled by the manufacturer. Due to the electronic transferring of information, Seller's order to the manufacturer is normally processed the day Buyer's order is placed with Seller.

Seller will only accept change orders under the following conditions: A. The request must be submitted in writing, received, processed and accepted by the manufacturer before the manufacturer's has begun the manufacturing process and the fabrics have been cut; B. Change orders may be subject to additional charges; and C. Change orders may result in a extended delivery date.

Special order items are not subject to cancellation or return without authorization from Seller. Authorized returns must be in accordance with Seller's shipping instructions and will be subject to restocking and freight charges.

DELIVERY AND INSTALLATION

The above quoted price is based on the installation area being fee and clear of all furniture and debris. Additional charges may apply due to unavailability of elevators at agreed upon usage times and additional trips due to construction delays. Any request for the movement of existing furniture, if agreed to by Seller, shall be documented by a written change order or separate written contract.

The delivery and/or installation quoted is based on labor during normal business hours (8:00 am to 3:30 pm (or local union hours)- Monday through Friday). Work performed at non-regular hours will result in additional charges. Electrical hard-wiring required to power furniture must be performed by a licensed electrician. Due to insurance guidelines, installation personnel are prohibited from moving computer equipment.

DIRECT SHIPMENTS

On direct shipments, Seller is not responsible for damages, freight claims or delays in shipments. Customers should carefully inspect all items at the time of delivery and note any obvious damage on the delivery receipt. All concealed damage must be reported in writing to the carrier in accordance with applicable regulations and time limits. (Refer to Seller's "Direct Shipment Guidelines" when applicable.)

SALES/USE TAX

All merchandise is subject to sales and/or use taxes applicable at the time invoices are rendered. If merchandise is exempt from being charged sales and/or use taxes a copy of your tax exemption certificate must accompany the signed proposal.

CLAIMS

SELLER WARRANTS THAT THE GOODS ARE AS DESCRIBED IN THE INVOICE OR IN ANY SALES CONFIRMATION SIGNED BY SELLER. SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty, concerning the goods sold by Seller, and unless an affirmation, representation or warranty, made by an agent, employee or representative is specifically included within the invoice or any sales confirmation signed by Seller, it has not formed a part of the basis of this bargain and shall not in any way be enforceable by Buyer. SELLER'S LIABILITY FOR BREACH OF THIS WARRANTY IS LIMITED TO REPLACING THE DEFECTIVE GOODS OR REFUNDING TO BUYER THE PURCHASE PRICE FOR THAT PORTION OF THE GOODS WHICH ARE DEFECTIVE, WHICHEVER REMEDY SELLER SHALL SO SELECT. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING, WITHOUT LIMITATION, LOST PROFITS), SPECIAL OR PUNITIVE DAMAGES FOR ANY CLAIM RESULTING FROM ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SELLER'S LIABILITY HEREUNDER EXCEED THE PURCHASE PRICE FOR THE GOODS REFLECTED IN THE INVOICE. The foregoing limitation shall survive notwithstanding failure of essential purpose of an exclusive or limited remedy.

This agreement shall be deemed for all purposes to have been made in Missouri and shall be governed by and construed in accordance with the internal laws of the State of Missouri, without regard to principles of conflicts of law, as the same may be from time to time in effect, including, without limitation, the Uniform Commercial Code as in effect in the State of Missouri, and shall not be governed by the United Nations Convention for the International Sale of Goods. Any cause of action arising hereunder shall be brought only in the Circuit Court of St. Louis County, Missouri, or the Federal District Court for the Eastern District of Missouri, which shall have sole jurisdiction over all controversies arising hereunder, and the parties hereby agree to submit to the jurisdiction of the courts thereof. Any action for breach of this contract must be commenced within two (2) years after the cause of action has accrued.

FORCE MAJEURE

Shipping dates are approximate and are not guaranteed. Seller shall not be liable for failure to deliver or perform or for delays in delivery or performance occasioned by causes beyond its reasonable control, including, without limitation, strikes, lockouts, fires, accidents, interruptions in supply or materials, breakdowns, delays in carriers or suppliers and governmental actions and regulations.

OTHER PROVISIONS

Seller's failure strictly to enforce any terms or conditions of this agreement or to exercise any rights arising hereunder shall not constitute a waiver of Seller's right strictly to enforce such terms or condition or exercise such right thereafter. Each right or remedy granted to Seller hereunder shall be deemed cumulative and may be exercised from time to time. Any waiver of Buyer's default hereunder must be in writing and shall not operate as a waiver of any other default or of the same default thereafter. This proposal and any documents referred to on the face hereof constitute the entire agreement between the parties. If any provision hereunder shall be held invalid, illegal or unenforceable, such provision shall be severed from this Agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS OUTLINED BELOW AND ACCEPT THIS PROPOSAL. THIS PROPOSAL IS GOOD FOR 30 DAYS.

SPELLMAN BRADY & COMPANY'S ("SELLER'S") TERMS AND CONDITIONS:

PRICING SHOWN ON THIS PROPOSAL IS VALID FOR 30 DAYS FROM THE DATE SHOWN ON FIRST PAGE HEREOF.

ACCEPTANCE

Any acceptance of this proposal is limited to acceptance of the express terms contained on the face hereof. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this offer in Buyer's purchase order, acceptance, or otherwise, is hereby objected to and rejected, but such proposals shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods, but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by Buyer without said additional or different terms. If this proposal shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained on the face hereof. Additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this proposal shall be deemed material and are objected to and rejected.

PAYMENT

Seller's terms are due upon receipt. A signed original copy of the proposal, and specified, non-refundable, deposit for the furniture, fabric and equipment total is required to process an order. 90% of the remaining balance is due when the goods are received at our warehouse. The remaining balance of 10% is due upon Buyer's receipt of the product. All unpaid items will be subject to a late payment fee computed at the rate of the lesser of one and one half percent (1 ½%) per month (an effective rate of eighteen percent (18%) per annum) or the maximum rate allowed by law on the declining balance unpaid for more than thirty (30) days after the date of the invoice. Buyer shall pay Seller all costs of collection on past due accounts, including, but not limited to, reasonable attorneys fees, whether or not litigation is commenced in aid thereof. If Buyer fails to fulfill the terms of payment on any order, Seller, in addition to all of its other legal and equitable rights and remedies, but not in limitation thereof, may defer all further shipments until such payments are made or may, at its option, cancel the order. Seller reserves the right, even after partial shipment on account of any order, to require satisfactory security from Buyer for performance of Buyer's obligations. Buyer's refusal to furnish such security will entitle Seller to suspend shipments until such security is furnished and will entitle Seller, at its option, to cancel the order. In such event, Buyer shall nevertheless be required to pay for such shipments as may have been received by Buyer prior to Seller's cancellation of the order. Buyer represents that it is solvent and on each delivery this representation shall be deemed renewed unless notice to the contrary is given in writing by Buyer to Seller at or before delivery of the goods.

CANCELLATIONS OR RETURNS

Seller's furniture vendors operate on a made-to-order manufacturing process. Due to the manufacturer's production scheduling policies, the order is no longer subject to change or cancellation once the order is received and production is scheduled by the manufacturer. Due to the electronic transferring of information, Seller's order to the manufacturer is normally processed the day Buyer's order is placed with Seller.

Seller will only accept change orders under the following conditions: A. The request must be submitted in writing, received, processed and accepted by the manufacturer before the manufacturer's has begun the manufacturing process and the fabrics have been cut; B. Change orders may be subject to additional charges; and C. Change orders may result in a extended delivery date.

Special order items are not subject to cancellation or return without authorization from Seller. Authorized returns must be in accordance with Seller's shipping instructions and will be subject to restocking and freight charges.

DELIVERY AND INSTALLATION

The above quoted price is based on the installation area being fee and clear of all furniture and debris. Additional charges may apply due to unavailability of elevators at agreed upon usage times and additional trips due to construction delays. Any request for the movement of existing furniture, if agreed to by Seller, shall be documented by a written change order or separate written contract.

The delivery and/or installation quoted is based on labor during normal business hours (8:00 am to 3:30 pm (or local union hours)- Monday through Friday). Work performed at non-regular hours will result in additional charges. Electrical hard-wiring required to power furniture must be performed by a licensed electrician. Due to insurance guidelines, installation personnel are prohibited from moving computer equipment.

DIRECT SHIPMENTS

On direct shipments, Seller is not responsible for damages, freight claims or delays in shipments. Customers should carefully inspect all items at the time of delivery and note any obvious damage on the delivery receipt. All concealed damage must be reported in writing to the carrier in accordance with applicable regulations and time limits. (Refer to Seller's "Direct Shipment Guidelines" when applicable.)

SALES/USE TAX

All merchandise is subject to sales and/or use taxes applicable at the time invoices are rendered. If merchandise is exempt from being charged sales and/or use taxes a copy of your tax exemption certificate must accompany the signed proposal.

CLAIMS

SELLER WARRANTS THAT THE GOODS ARE AS DESCRIBED IN THE INVOICE OR IN ANY SALES CONFIRMATION SIGNED BY SELLER. SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty, concerning the goods sold by Seller, and unless an affirmation, representation or warranty, made by an agent, employee or representative is specifically included within the invoice or any sales confirmation signed by Seller, it has not formed a part of the basis of this bargain and shall not in any way be enforceable by Buyer. SELLER'S LIABILITY FOR BREACH OF THIS WARRANTY IS LIMITED TO REPLACING THE DEFECTIVE GOODS OR REFUNDING TO BUYER THE PURCHASE PRICE FOR THAT PORTION OF THE GOODS WHICH ARE DEFECTIVE, WHICHEVER REMEDY SELLER SHALL SO SELECT. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING, WITHOUT LIMITATION, LOST PROFITS), SPECIAL OR PUNITIVE DAMAGES FOR ANY CLAIM RESULTING FROM ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SELLER'S LIABILITY HEREUNDER EXCEED THE PURCHASE PRICE FOR THE GOODS REFLECTED IN THE INVOICE. The foregoing limitation shall survive notwithstanding failure of essential purpose of an exclusive or limited remedy.

This agreement shall be deemed for all purposes to have been made in Missouri and shall be governed by and construed in accordance with the internal laws of the State of Missouri, without regard to principles of conflicts of law, as the same may be from time to time in effect, including, without limitation, the Uniform Commercial Code as in effect in the State of Missouri, and shall not be governed by the United Nations Convention for the International Sale of Goods. Any cause of action arising hereunder shall be brought only in the Circuit Court of St. Louis County, Missouri, or the Federal District Court for the Eastern District of Missouri, which shall have sole jurisdiction over all controversies arising hereunder, and the parties hereby agree to submit to the jurisdiction of the courts thereof. Any action for breach of this contract must be commenced within two (2) years after the cause of action has accrued.

FORCE MAJEURE

Shipping dates are approximate and are not guaranteed. Seller shall not be liable for failure to deliver or perform or for delays in delivery or performance occasioned by causes beyond its reasonable control, including, without limitation, strikes, lockouts, fires, accidents, interruptions in supply or materials, breakdowns, delays in carriers or suppliers and governmental actions and regulations.

OTHER PROVISIONS

Seller's failure strictly to enforce any terms or conditions of this agreement or to exercise any rights arising hereunder shall not constitute a waiver of Seller's right strictly to enforce such terms or condition or exercise such right thereafter. Each right or remedy granted to Seller hereunder shall be deemed cumulative and may be exercised from time to time. Any waiver of Buyer's default hereunder must be in writing and shall not operate as a waiver of any other default or of the same default thereafter. This proposal and any documents referred to on the face hereof constitute the entire agreement between the parties. If any provision hereunder shall be held invalid, illegal or unenforceable, such provision shall be severed from this Agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS OUTLINED BELOW AND ACCEPT THIS PROPOSAL. THIS PROPOSAL IS GOOD FOR 30 DAYS.

SPELLMAN BRADY & COMPANY'S ("SELLER'S") TERMS AND CONDITIONS:

PRICING SHOWN ON THIS PROPOSAL IS VALID FOR 30 DAYS FROM THE DATE SHOWN ON FIRST PAGE HEREOF.

ACCEPTANCE

Any acceptance of this proposal is limited to acceptance of the express terms contained on the face hereof. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this offer in Buyer's purchase order, acceptance, or otherwise, is hereby objected to and rejected, but such proposals shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods, but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by Buyer without said additional or different terms. If this proposal shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained on the face hereof. Additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this proposal shall be deemed material and are objected to and rejected.

PAYMENT

Seller's terms are due upon receipt. A signed original copy of the proposal, and specified, non-refundable, deposit for the furniture, fabric and equipment total is required to process an order. 90% of the remaining balance is due when the goods are received at our warehouse. The remaining balance of 10% is due upon Buyer's receipt of the product. All unpaid items will be subject to a late payment fee computed at the rate of the lesser of one and one half percent (1 ½%) per month (an effective rate of eighteen percent (18%) per annum) or the maximum rate allowed by law on the declining balance unpaid for more than thirty (30) days after the date of the invoice. Buyer shall pay Seller all costs of collection on past due accounts, including, but not limited to, reasonable attorneys fees, whether or not litigation is commenced in aid thereof. If Buyer fails to fulfill the terms of payment on any order, Seller, in addition to all of its other legal and equitable rights and remedies, but not in limitation thereof, may defer all further shipments until such payments are made or may, at its option, cancel the order. Seller reserves the right, even after partial shipment on account of any order, to require satisfactory security from Buyer for performance of Buyer's obligations. Buyer's refusal to furnish such security will entitle Seller to suspend shipments until such security is furnished and will entitle Seller, at its option, to cancel the order. In such event, Buyer shall nevertheless be required to pay for such shipments as may have been received by Buyer prior to Seller's cancellation of the order. Buyer represents that it is solvent and on each delivery this representation shall be deemed renewed unless notice to the contrary is given in writing by Buyer to Seller at or before delivery of the goods.

CANCELLATIONS OR RETURNS

Seller's furniture vendors operate on a made-to-order manufacturing process. Due to the manufacturer's production scheduling policies, the order is no longer subject to change or cancellation once the order is received and production is scheduled by the manufacturer. Due to the electronic transferring of information, Seller's order to the manufacturer is normally processed the day Buyer's order is placed with Seller.

Seller will only accept change orders under the following conditions: A. The request must be submitted in writing, received, processed and accepted by the manufacturer before the manufacturer's has begun the manufacturing process and the fabrics have been cut; B. Change orders may be subject to additional charges; and C. Change orders may result in a extended delivery date.

Special order items are not subject to cancellation or return without authorization from Seller. Authorized returns must be in accordance with Seller's shipping instructions and will be subject to restocking and freight charges.

DELIVERY AND INSTALLATION

The above quoted price is based on the installation area being fee and clear of all furniture and debris. Additional charges may apply due to unavailability of elevators at agreed upon usage times and additional trips due to construction delays. Any request for the movement of existing furniture, if agreed to by Seller, shall be documented by a written change order or separate written contract.

The delivery and/or installation quoted is based on labor during normal business hours (8:00 am to 3:30 pm (or local union hours)- Monday through Friday). Work performed at non-regular hours will result in additional charges. Electrical hard-wiring required to power furniture must be performed by a licensed electrician. Due to insurance guidelines, installation personnel are prohibited from moving computer equipment.

DIRECT SHIPMENTS

On direct shipments, Seller is not responsible for damages, freight claims or delays in shipments. Customers should carefully inspect all items at the time of delivery and note any obvious damage on the delivery receipt. All concealed damage must be reported in writing to the carrier in accordance with applicable regulations and time limits. (Refer to Seller's "Direct Shipment Guidelines" when applicable.)

SALES/USE TAX

All merchandise is subject to sales and/or use taxes applicable at the time invoices are rendered. If merchandise is exempt from being charged sales and/or use taxes a copy of your tax exemption certificate must accompany the signed proposal.

CLAIMS

SELLER WARRANTS THAT THE GOODS ARE AS DESCRIBED IN THE INVOICE OR IN ANY SALES CONFIRMATION SIGNED BY SELLER. SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty, concerning the goods sold by Seller, and unless an affirmation, representation or warranty, made by an agent, employee or representative is specifically included within the invoice or any sales confirmation signed by Seller, it has not formed a part of the basis of this bargain and shall not in any way be enforceable by Buyer. SELLER'S LIABILITY FOR BREACH OF THIS WARRANTY IS LIMITED TO REPLACING THE DEFECTIVE GOODS OR REFUNDING TO BUYER THE PURCHASE PRICE FOR THAT PORTION OF THE GOODS WHICH ARE DEFECTIVE, WHICHEVER REMEDY SELLER SHALL SO SELECT. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING, WITHOUT LIMITATION, LOST PROFITS), SPECIAL OR PUNITIVE DAMAGES FOR ANY CLAIM RESULTING FROM ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SELLER'S LIABILITY HEREUNDER EXCEED THE PURCHASE PRICE FOR THE GOODS REFLECTED IN THE INVOICE. The foregoing limitation shall survive notwithstanding failure of essential purpose of an exclusive or limited remedy.

This agreement shall be deemed for all purposes to have been made in Missouri and shall be governed by and construed in accordance with the internal laws of the State of Missouri, without regard to principles of conflicts of law, as the same may be from time to time in effect, including, without limitation, the Uniform Commercial Code as in effect in the State of Missouri, and shall not be governed by the United Nations Convention for the International Sale of Goods. Any cause of action arising hereunder shall be brought only in the Circuit Court of St. Louis County, Missouri, or the Federal District Court for the Eastern District of Missouri, which shall have sole jurisdiction over all controversies arising hereunder, and the parties hereby agree to submit to the jurisdiction of the courts thereof. Any action for breach of this contract must be commenced within two (2) years after the cause of action has accrued.

FORCE MAJEURE

Shipping dates are approximate and are not guaranteed. Seller shall not be liable for failure to deliver or perform or for delays in delivery or performance occasioned by causes beyond its reasonable control, including, without limitation, strikes, lockouts, fires, accidents, interruptions in supply or materials, breakdowns, delays in carriers or suppliers and governmental actions and regulations.

OTHER PROVISIONS

Seller's failure strictly to enforce any terms or conditions of this agreement or to exercise any rights arising hereunder shall not constitute a waiver of Seller's right strictly to enforce such terms or condition or exercise such right thereafter. Each right or remedy granted to Seller hereunder shall be deemed cumulative and may be exercised from time to time. Any waiver of Buyer's default hereunder must be in writing and shall not operate as a waiver of any other default or of the same default thereafter. This proposal and any documents referred to on the face hereof constitute the entire agreement between the parties. If any provision hereunder shall be held invalid, illegal or unenforceable, such provision shall be severed from this Agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Customer's Approval _____ **Date** _____

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS OUTLINED BELOW AND ACCEPT THIS PROPOSAL. THIS PROPOSAL IS GOOD FOR 30 DAYS.

SPELLMAN BRADY & COMPANY'S ("SELLER'S") TERMS AND CONDITIONS:

PRICING SHOWN ON THIS PROPOSAL IS VALID FOR 30 DAYS FROM THE DATE SHOWN ON FIRST PAGE HEREOF.

ACCEPTANCE

Any acceptance of this proposal is limited to acceptance of the express terms contained on the face hereof. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this offer in Buyer's purchase order, acceptance, or otherwise, is hereby objected to and rejected, but such proposals shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods, but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by Buyer without said additional or different terms. If this proposal shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained on the face hereof. Additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this proposal shall be deemed material and are objected to and rejected.

PAYMENT

Seller's terms are due upon receipt. A signed original copy of the proposal, and specified, non-refundable, deposit for the furniture, fabric and equipment total is required to process an order. 90% of the remaining balance is due when the goods are received at our warehouse. The remaining balance of 10% is due upon Buyer's receipt of the product. All unpaid items will be subject to a late payment fee computed at the rate of the lesser of one and one half percent (1 ½%) per month (an effective rate of eighteen percent (18%) per annum) or the maximum rate allowed by law on the declining balance unpaid for more than thirty (30) days after the date of the invoice. Buyer shall pay Seller all costs of collection on past due accounts, including, but not limited to, reasonable attorneys fees, whether or not litigation is commenced in aid thereof. If Buyer fails to fulfill the terms of payment on any order, Seller, in addition to all of its other legal and equitable rights and remedies, but not in limitation thereof, may defer all further shipments until such payments are made or may, at its option, cancel the order. Seller reserves the right, even after partial shipment on account of any order, to require satisfactory security from Buyer for performance of Buyer's obligations. Buyer's refusal to furnish such security will entitle Seller to suspend shipments until such security is furnished and will entitle Seller, at its option, to cancel the order. In such event, Buyer shall nevertheless be required to pay for such shipments as may have been received by Buyer prior to Seller's cancellation of the order. Buyer represents that it is solvent and on each delivery this representation shall be deemed renewed unless notice to the contrary is given in writing by Buyer to Seller at or before delivery of the goods.

CANCELLATIONS OR RETURNS

Seller's furniture vendors operate on a made-to-order manufacturing process. Due to the manufacturer's production scheduling policies, the order is no longer subject to change or cancellation once the order is received and production is scheduled by the manufacturer. Due to the electronic transferring of information, Seller's order to the manufacturer is normally processed the day Buyer's order is placed with Seller. Seller will only accept change orders under the following conditions: A. The request must be submitted in writing, received, processed and accepted by the manufacturer before the manufacturer's has begun the manufacturing process and the fabrics have been cut; B. Change orders may be subject to additional charges; and C. Change orders may result in a extended delivery date. Special order items are not subject to cancellation or return without authorization from Seller. Authorized returns must be in accordance with Seller's shipping instructions and will be subject to restocking and freight charges.

DELIVERY AND INSTALLATION

The above quoted price is based on the installation area being fee and clear of all furniture and debris. Additional charges may apply due to unavailability of elevators at agreed upon usage times and additional trips due to construction delays. Any request for the movement of existing furniture, if agreed to by Seller, shall be documented by a written change order or separate written contract.

The delivery and/or installation quoted is based on labor during normal business hours (8:00 am to 3:30 pm (or local union hours)- Monday through Friday). Work performed at non-regular hours will result in additional charges. Electrical hard-wiring required to power furniture must be performed by a licensed electrician. Due to insurance guidelines, installation personnel are prohibited from moving computer equipment.

DIRECT SHIPMENTS

On direct shipments, Seller is not responsible for damages, freight claims or delays in shipments. Customers should carefully inspect all items at the time of delivery and note any obvious damage on the delivery receipt. All concealed damage must be reported in writing to the carrier in accordance with applicable regulations and time limits. (Refer to Seller's "Direct Shipment Guidelines" when applicable.)

SALES/USE TAX

All merchandise is subject to sales and/or use taxes applicable at the time invoices are rendered. If merchandise is exempt from being charged sales and/or use taxes a copy of your tax exemption certificate must accompany the signed proposal.

CLAIMS

SELLER WARRANTS THAT THE GOODS ARE AS DESCRIBED IN THE INVOICE OR IN ANY SALES CONFIRMATION SIGNED BY SELLER. SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty, concerning the goods sold by Seller, and unless an affirmation, representation or warranty, made by an agent, employee or representative is specifically included within the invoice or any sales confirmation signed by Seller, it has not formed a part of the basis of this bargain and shall not in any way be enforceable by Buyer. SELLER'S LIABILITY FOR BREACH OF THIS WARRANTY IS LIMITED TO REPLACING THE DEFECTIVE GOODS OR REFUNDING TO BUYER THE PURCHASE PRICE FOR THAT PORTION OF THE GOODS WHICH ARE DEFECTIVE, WHICHEVER REMEDY SELLER SHALL SO SELECT. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING, WITHOUT LIMITATION, LOST PROFITS), SPECIAL OR PUNITIVE DAMAGES FOR ANY CLAIM RESULTING FROM ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SELLER'S LIABILITY HEREUNDER EXCEED THE PURCHASE PRICE FOR THE GOODS REFLECTED IN THE INVOICE. The foregoing limitation shall survive notwithstanding failure of essential purpose of an exclusive or limited remedy.

This agreement shall be deemed for all purposes to have been made in Missouri and shall be governed by and construed in accordance with the internal laws of the State of Missouri, without regard to principles of conflicts of law, as the same may be from time to time in effect, including, without limitation, the Uniform Commercial Code as in effect in the State of Missouri, and shall not be governed by the United Nations Convention for the International Sale of Goods. Any cause of action arising hereunder shall be brought only in the Circuit Court of St. Louis County, Missouri, or the Federal District Court for the Eastern District of Missouri, which shall have sole jurisdiction over all controversies arising hereunder, and the parties hereby agree to submit to the jurisdiction of the courts thereof. Any action for breach of this contract must be commenced within two (2) years after the cause of action has accrued.

FORCE MAJEURE

Shipping dates are approximate and are not guaranteed. Seller shall not be liable for failure to deliver or perform or for delays in delivery or performance occasioned by causes beyond its reasonable control, including, without limitation, strikes, lockouts, fires, accidents, interruptions in supply or materials, breakdowns, delays in carriers or suppliers and governmental actions and regulations.

OTHER PROVISIONS

Seller's failure strictly to enforce any terms or conditions of this agreement or to exercise any rights arising hereunder shall not constitute a waiver of Seller's right strictly to enforce such terms or condition or exercise such right thereafter. Each right or remedy granted to Seller hereunder shall be deemed cumulative and may be exercised from time to time. Any waiver of Buyer's default hereunder must be in writing and shall not operate as a waiver of any other default or of the same default thereafter. This proposal and any documents referred to on the face hereof constitute the entire agreement between the parties. If any provision hereunder shall be held invalid, illegal or unenforceable, such provision shall be severed from this Agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Any acceptance of this proposal is limited to acceptance of the express terms contained on the face hereof. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this offer in Buyer's purchase order, acceptance, or otherwise, is hereby objected to and rejected, but such proposals shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods, but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by Buyer without said additional or different terms. If this proposal shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained on the face hereof. Additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this proposal shall be deemed material and are objected to and rejected.

PAYMENT

Seller's terms are due upon receipt. A signed original copy of the proposal, and specified, non-refundable, deposit for the furniture, fabric and equipment total is required to process an order. 90% of the remaining balance is due when the goods are received at our warehouse. The remaining balance of 10% is due upon Buyer's receipt of the product. All unpaid items will be subject to a late payment fee computed at the rate of the lesser of one and one half percent (1 ½%) per month (an effective rate of eighteen percent (18%) per annum) or the maximum rate allowed by law on the declining balance unpaid for more than thirty (30) days after the date of the invoice. Buyer shall pay Seller all costs of collection on past due accounts, including, but not limited to, reasonable attorneys fees, whether or not litigation is commenced in aid thereof. If Buyer fails to fulfill the terms of payment on any order, Seller, in addition to all of its other legal and equitable rights and remedies, but not in limitation thereof, may defer all further shipments until such payments are made or may, at its option, cancel the order. Seller reserves the right, even after partial shipment on account of any order, to require satisfactory security from Buyer for performance of Buyer's obligations. Buyer's refusal to furnish such security will entitle Seller to suspend shipments until such security is furnished and will entitle Seller, at its option, to cancel the order. In such event, Buyer shall nevertheless be required to pay for such shipments as may have been received by Buyer prior to Seller's cancellation of the order. Buyer represents that it is solvent and on each delivery this representation shall be deemed renewed unless notice to the contrary is given in writing by Buyer to Seller at or before delivery of the goods.

CANCELLATIONS OR RETURNS

Seller's furniture vendors operate on a made-to-order manufacturing process. Due to the manufacturer's production scheduling policies, the order is no longer subject to change or cancellation once the order is received and production is scheduled by the manufacturer. Due to the electronic transferring of information, Seller's order to the manufacturer is normally processed the day Buyer's order is placed with Seller. Seller will only accept change orders under the following conditions: A. The request must be submitted in writing, received, processed and accepted by the manufacturer before the manufacturer's has begun the manufacturing process and the fabrics have been cut; B. Change orders may be subject to additional charges; and C. Change orders may result in a extended delivery date. Special order items are not subject to cancellation or return without authorization from Seller. Authorized returns must be in accordance with Seller's shipping instructions and will be subject to restocking and freight charges.

DELIVERY AND INSTALLATION

The above quoted price is based on the installation area being fee and clear of all furniture and debris. Additional charges may apply due to unavailability of elevators at agreed upon usage times and additional trips due to construction delays. Any request for the movement of existing furniture, if agreed to by Seller, shall be documented by a written change order or separate written contract. The delivery and/or installation quoted is based on labor during normal business hours (8:00 am to 3:30 pm (or local union hours)- Monday through Friday). Work performed at non-regular hours will result in additional charges. Electrical hard-wiring required to power furniture must be performed by a licensed electrician. Due to insurance guidelines, installation personnel are prohibited from moving computer equipment.

DIRECT SHIPMENTS

On direct shipments, Seller is not responsible for damages, freight claims or delays in shipments. Customers should carefully inspect all items at the time of delivery and note any obvious damage on the delivery receipt. All concealed damage must be reported in writing to the carrier in accordance with applicable regulations and time limits. (Refer to Seller's "Direct Shipment Guidelines" when applicable.)

SALES/USE TAX

All merchandise is subject to sales and/or use taxes applicable at the time invoices are rendered. If merchandise is exempt from being charged sales and/or use taxes a copy of your tax exemption certificate must accompany the signed proposal.

SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty, concerning the goods sold by Seller, and unless an affirmation, representation or warranty, made by an agent, employee or representative is specifically included within the invoice or any sales confirmation signed by Seller, it has not formed a part of the basis of this bargain and shall not in any way be enforceable by Buyer. SELLER'S LIABILITY FOR BREACH OF THIS WARRANTY IS LIMITED TO REPLACING THE DEFECTIVE GOODS OR REFUNDING TO BUYER THE PURCHASE PRICE FOR THAT PORTION OF THE GOODS WHICH ARE DEFECTIVE, WHICHEVER REMEDY SELLER SHALL SO SELECT. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING, WITHOUT LIMITATION, LOST PROFITS), SPECIAL OR PUNITIVE DAMAGES FOR ANY CLAIM RESULTING FROM ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SELLER'S LIABILITY HEREUNDER EXCEED THE PURCHASE PRICE FOR THE GOODS REFLECTED IN THE INVOICE. The foregoing limitation shall survive notwithstanding failure of essential purpose of an exclusive or limited remedy.

This agreement shall be deemed for all purposes to have been made in Missouri and shall be governed by and construed in accordance with the internal laws of the State of Missouri, without regard to principles of conflicts of law, as the same may be from time to time in effect, including, without limitation, the Uniform Commercial Code as in effect in the State of Missouri, and shall not be governed by the United Nations Convention for the International Sale of Goods. Any cause of action arising hereunder shall be brought only in the Circuit Court of St. Louis County, Missouri, or the Federal District Court for the Eastern District of Missouri, which shall have sole jurisdiction over all controversies arising hereunder, and the parties hereby agree to submit to the jurisdiction of the courts thereof. Any action for breach of this contract must be commenced within two (2) years after the cause of action has accrued.

FORCE MAJEURE

Shipping dates are approximate and are not guaranteed. Seller shall not be liable for failure to deliver or perform or for delays in delivery or performance occasioned by causes beyond its reasonable control, including, without limitation, strikes, lockouts, fires, accidents, interruptions in supply or materials, breakdowns, delays in carriers or suppliers and governmental actions and regulations.

OTHER PROVISIONS

Seller's failure strictly to enforce any terms or conditions of this agreement or to exercise any rights arising hereunder shall not constitute a waiver of Seller's right strictly to enforce such terms or condition or exercise such right thereafter. Each right or remedy granted to Seller hereunder shall be deemed cumulative and may be exercised from time to time. Any waiver of Buyer's default hereunder must be in writing and shall not operate as a waiver of any other default or of the same default thereafter. This proposal and any documents referred to on the face hereof constitute the entire agreement between the parties. If any provision hereunder shall be held invalid, illegal or unenforceable, such provision shall be severed from this Agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SPELLMAN BRADY & COMPANY'S ("SELLER'S") TERMS AND CONDITIONS:

PRICING SHOWN ON THIS PROPOSAL IS VALID FOR 30 DAYS FROM THE DATE SHOWN ON FIRST PAGE HEREOF.

ACCEPTANCE

Any acceptance of this proposal is limited to acceptance of the express terms contained on the face hereof. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this offer in Buyer's purchase order, acceptance, or otherwise, is hereby objected to and rejected, but such proposals shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods, but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by Buyer without said additional or different terms. If this proposal shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained on the face hereof. Additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this proposal shall be deemed material and are objected to and rejected.

PAYMENT

Seller's terms are due upon receipt. A signed original copy of the proposal, and specified, non-refundable, deposit for the furniture, fabric and equipment total is required to process an order. 90% of the remaining balance is due when the goods are received at our warehouse. The remaining balance of 10% is due upon Buyer's receipt of the product. All unpaid items will be subject to a late payment fee computed at the rate of the lesser of one and one half percent (1 ½%) per month (an effective rate of eighteen percent (18%) per annum) or the maximum rate allowed by law on the declining balance unpaid for more than thirty (30) days after the date of the invoice. Buyer shall pay Seller all costs of collection on past due accounts, including, but not limited to, reasonable attorneys fees, whether or not litigation is commenced in aid thereof. If Buyer fails to fulfill the terms of payment on any order, Seller, in addition to all of its other legal and equitable rights and remedies, but not in limitation thereof, may defer all further shipments until such payments are made or may, at its option, cancel the order. Seller reserves the right, even after partial shipment on account of any order, to require satisfactory security from Buyer for performance of Buyer's obligations. Buyer's refusal to furnish such security will entitle Seller to suspend shipments until such security is furnished and will entitle Seller, at its option, to cancel the order. In such event, Buyer shall nevertheless be required to pay for such shipments as may have been received by Buyer prior to Seller's cancellation of the order. Buyer represents that it is solvent and on each delivery this representation shall be deemed renewed unless notice to the contrary is given in writing by Buyer to Seller at or before delivery of the goods.

CANCELLATIONS OR RETURNS

Seller's furniture vendors operate on a made-to-order manufacturing process. Due to the manufacturer's production scheduling policies, the order is no longer subject to change or cancellation once the order is received and production is scheduled by the manufacturer. Due to the electronic transferring of information, Seller's order to the manufacturer is normally processed the day Buyer's order is placed with Seller. Seller will only accept change orders under the following conditions: A. The request must be submitted in writing, received, processed and accepted by the manufacturer before the manufacturer's has begun the manufacturing process and the fabrics have been cut; B. Change orders may be subject to additional charges; and C. Change orders may result in a extended delivery date. Special order items are not subject to cancellation or return without authorization from Seller. Authorized returns must be in accordance with Seller's shipping instructions and will be subject to restocking and freight charges.

DELIVERY AND INSTALLATION

The above quoted price is based on the installation area being fee and clear of all furniture and debris. Additional charges may apply due to unavailability of elevators at agreed upon usage times and additional trips due to construction delays. Any request for the movement of existing furniture, if agreed to by Seller, shall be documented by a written change order or separate written contract. The delivery and/or installation quoted is based on labor during normal business hours (8:00 am to 3:30 pm (or local union hours)- Monday through Friday). Work performed at non-regular hours will result in additional charges. Electrical hard-wiring required to power furniture must be performed by a licensed electrician. Due to insurance guidelines, installation personnel are prohibited from moving computer equipment.

DIRECT SHIPMENTS

On direct shipments, Seller is not responsible for damages, freight claims or delays in shipments. Customers should carefully inspect all items at the time of delivery and note any obvious damage on the delivery receipt. All concealed damage must be reported in writing to the carrier in accordance with applicable regulations and time limits. (Refer to Seller's "Direct Shipment Guidelines" when applicable.)

SALES/USE TAX

All merchandise is subject to sales and/or use taxes applicable at the time invoices are rendered. If merchandise is exempt from being charged sales and/or use taxes a copy of your tax exemption certificate must accompany the signed proposal.

CLAIMS

SELLER WARRANTS THAT THE GOODS ARE AS DESCRIBED IN THE INVOICE OR IN ANY SALES CONFIRMATION SIGNED BY SELLER. SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty, concerning the goods sold by Seller, and unless an affirmation, representation or warranty, made by an agent, employee or representative is specifically included within the invoice or any sales confirmation signed by Seller, it has not formed a part of the basis of this bargain and shall not in any way be enforceable by Buyer. SELLER'S LIABILITY FOR BREACH OF THIS WARRANTY IS LIMITED TO REPLACING THE DEFECTIVE GOODS OR REFUNDING TO BUYER THE PURCHASE PRICE FOR THAT PORTION OF THE GOODS WHICH ARE DEFECTIVE, WHICHEVER REMEDY SELLER SHALL SO SELECT. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING, WITHOUT LIMITATION, LOST PROFITS), SPECIAL OR PUNITIVE DAMAGES FOR ANY CLAIM RESULTING FROM ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SELLER'S LIABILITY HEREUNDER EXCEED THE PURCHASE PRICE FOR THE GOODS REFLECTED IN THE INVOICE. The foregoing limitation shall survive notwithstanding failure of essential purpose of an exclusive or limited remedy.

This agreement shall be deemed for all purposes to have been made in Missouri and shall be governed by and construed in accordance with the internal laws of the State of Missouri, without regard to principles of conflicts of law, as the same may be from time to time in effect, including, without limitation, the Uniform Commercial Code as in effect in the State of Missouri, and shall not be governed by the United Nations Convention for the International Sale of Goods. Any cause of action arising hereunder shall be brought only in the Circuit Court of St. Louis County, Missouri, or the Federal District Court for the Eastern District of Missouri, which shall have sole jurisdiction over all controversies arising hereunder, and the parties hereby agree to submit to the jurisdiction of the courts thereof. Any action for breach of this contract must be commenced within two (2) years after the cause of action has accrued.

FORCE MAJEURE

Shipping dates are approximate and are not guaranteed. Seller shall not be liable for failure to deliver or perform or for delays in delivery or performance occasioned by causes beyond its reasonable control, including, without limitation, strikes, lockouts, fires, accidents, interruptions in supply or materials, breakdowns, delays in carriers or suppliers and governmental actions and regulations.

OTHER PROVISIONS

Seller's failure strictly to enforce any terms or conditions of this agreement or to exercise any rights arising hereunder shall not constitute a waiver of Seller's right strictly to enforce such terms or condition or exercise such right thereafter. Each right or remedy granted to Seller hereunder shall be deemed cumulative and may be exercised from time to time. Any waiver of Buyer's default hereunder must be in writing and shall not operate as a waiver of any other default or of the same default thereafter. This proposal and any documents referred to on the face hereof constitute the entire agreement between the parties. If any provision hereunder shall be held invalid, illegal or unenforceable, such provision shall be severed from this Agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

CLAIMS

SELLER WARRANTS THAT THE GOODS ARE AS DESCRIBED IN THE INVOICE OR IN ANY SALES CONFIRMATION SIGNED BY SELLER. SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty, concerning the goods sold by Seller, and unless an affirmation, representation or warranty, made by an agent, employee or representative is specifically included within the invoice or any sales confirmation signed by Seller, it has not formed a part of the basis of this bargain and shall not in any way be enforceable by Buyer. SELLER'S LIABILITY FOR BREACH OF THIS WARRANTY IS LIMITED TO REPLACING THE DEFECTIVE GOODS OR REFUNDING TO BUYER THE PURCHASE PRICE FOR THAT PORTION OF THE GOODS WHICH ARE DEFECTIVE, WHICHEVER REMEDY SELLER SHALL SO SELECT. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING, WITHOUT LIMITATION, LOST PROFITS), SPECIAL OR PUNITIVE DAMAGES FOR ANY CLAIM RESULTING FROM ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SELLER'S LIABILITY HEREUNDER EXCEED THE PURCHASE PRICE FOR THE GOODS REFLECTED IN THE INVOICE. The foregoing limitation shall survive notwithstanding failure of essential purpose of an exclusive or limited remedy.

This agreement shall be deemed for all purposes to have been made in Missouri and shall be governed by and construed in accordance with the internal laws of the State of Missouri, without regard to principles of conflicts of law, as the same may be from time to time in effect, including, without limitation, the Uniform Commercial Code as in effect in the State of Missouri, and shall not be governed by the United Nations Convention for the International Sale of Goods. Any cause of action arising hereunder shall be brought only in the Circuit Court of St. Louis County, Missouri, or the Federal District Court for the Eastern District of Missouri, which shall have sole jurisdiction over all controversies arising hereunder, and the parties hereby agree to submit to the jurisdiction of the courts thereof. Any action for breach of this contract must be commenced within two (2) years after the cause of action has accrued.

FORCE MAJEURE

Shipping dates are approximate and are not guaranteed. Seller shall not be liable for failure to deliver or perform or for delays in delivery or performance occasioned by causes beyond its reasonable control, including, without limitation, strikes, lockouts, fires, accidents, interruptions in supply or materials, breakdowns, delays in carriers or suppliers and governmental actions and regulations.

OTHER PROVISIONS

Seller's failure strictly to enforce any terms or conditions of this agreement or to exercise any rights arising hereunder shall not constitute a waiver of Seller's right strictly to enforce such terms or condition or exercise such right thereafter. Each right or remedy granted to Seller hereunder shall be deemed cumulative and may be exercised from time to time. Any waiver of Buyer's default hereunder must be in writing and shall not operate as a waiver of any other default or of the same default thereafter. This proposal and any documents referred to on the face hereof constitute the entire agreement between the parties. If any provision hereunder shall be held invalid, illegal or unenforceable, such provision shall be severed from this Agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

I HAVE READ AND UNDERSTAND THE TERMS AND CONDITIONS OUTLINED BELOW AND ACCEPT THIS PROPOSAL. THIS PROPOSAL IS GOOD FOR 30 DAYS.

SPELLMAN BRADY & COMPANY'S ("SELLER'S") TERMS AND CONDITIONS:

PRICING SHOWN ON THIS PROPOSAL IS VALID FOR 30 DAYS FROM THE DATE SHOWN ON FIRST PAGE HEREOF.

ACCEPTANCE

Any acceptance of this proposal is limited to acceptance of the express terms contained on the face hereof. Any proposal for additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this offer in Buyer's purchase order, acceptance, or otherwise, is hereby objected to and rejected, but such proposals shall not operate as a rejection of this offer unless such variances are in the terms of the description, quantity, price or delivery schedule of the goods, but shall be deemed a material alteration thereof, and this offer shall be deemed accepted by Buyer without said additional or different terms. If this proposal shall be deemed an acceptance of a prior offer by Seller, such acceptance is limited to the express terms contained on the face hereof. Additional or different terms or any attempt by Buyer to vary in any degree any of the terms of this proposal shall be deemed material and are objected to and rejected.

PAYMENT

Seller's terms are due upon receipt. A signed original copy of the proposal, and specified, non-refundable, deposit for the furniture, fabric and equipment total is required to process an order. 90% of the remaining balance is due when the goods are received at our warehouse. The remaining balance of 10% is due upon Buyer's receipt of the product. All unpaid items will be subject to a late payment fee computed at the rate of the lesser of one and one half percent (1 ½%) per month (an effective rate of eighteen percent (18%) per annum) or the maximum rate allowed by law on the declining balance unpaid for more than thirty (30) days after the date of the invoice. Buyer shall pay Seller all costs of collection on past due accounts, including, but not limited to, reasonable attorneys fees, whether or not litigation is commenced in aid thereof. If Buyer fails to fulfill the terms of payment on any order, Seller, in addition to all of its other legal and equitable rights and remedies, but not in limitation thereof, may defer all further shipments until such payments are made or may, at its option, cancel the order. Seller reserves the right, even after partial shipment on account of any order, to require satisfactory security from Buyer for performance of Buyer's obligations. Buyer's refusal to furnish such security will entitle Seller to suspend shipments until such security is furnished and will entitle Seller, at its option, to cancel the order. In such event, Buyer shall nevertheless be required to pay for such shipments as may have been received by Buyer prior to Seller's cancellation of the order. Buyer represents that it is solvent and on each delivery this representation shall be deemed renewed unless notice to the contrary is given in writing by Buyer to Seller at or before delivery of the goods.

CANCELLATIONS OR RETURNS

Seller's furniture vendors operate on a made-to-order manufacturing process. Due to the manufacturer's production scheduling policies, the order is no longer subject to change or cancellation once the order is received and production is scheduled by the manufacturer. Due to the electronic transferring of information, Seller's order to the manufacturer is normally processed the day Buyer's order is placed with Seller. Seller will only accept change orders under the following conditions: A. The request must be submitted in writing, received, processed and accepted by the manufacturer before the manufacturer's has begun the manufacturing process and the fabrics have been cut; B. Change orders may be subject to additional charges; and C. Change orders may result in an extended delivery date. Special order items are not subject to cancellation or return without authorization from Seller. Authorized returns must be in accordance with Seller's shipping instructions and will be subject to restocking and freight charges.

DELIVERY AND INSTALLATION

The above quoted price is based on the installation area being free and clear of all furniture and debris. Additional charges may apply due to unavailability of elevators at agreed upon usage times and additional trips due to construction delays. Any request for the movement of existing furniture, if agreed to by Seller, shall be documented by a written change order or separate written contract.

The delivery and/or installation quoted is based on labor during normal business hours (8:00 am to 3:30 pm (or local union hours)- Monday through Friday). Work performed at non-regular hours will result in additional charges. Electrical hard-wiring required to power furniture must be performed by a licensed electrician. Due to insurance guidelines, installation personnel are prohibited from moving computer equipment.

DIRECT SHIPMENTS

On direct shipments, Seller is not responsible for damages, freight claims or delays in shipments. Customers should carefully inspect all items at the time of delivery and note any obvious damage on the delivery receipt. All concealed damage must be reported in writing to the carrier in accordance with applicable regulations and time limits. (Refer to Seller's "Direct Shipment Guidelines" when applicable.)

SALES/USE TAX

All merchandise is subject to sales and/or use taxes applicable at the time invoices are rendered. If merchandise is exempt from being charged sales and/or use taxes a copy of your tax exemption certificate must accompany the signed proposal.

The above quoted price is based on the installation area being fee and clear of all furniture and debris. Additional charges may apply due to unavailability of elevators at agreed upon usage times and additional trips due to construction delays. Any request for the movement of existing furniture, if agreed to by Seller, shall be documented by a written change order or separate written contract. The delivery and/or installation quoted is based on labor during normal business hours (8:00 am to 3:30 pm (or local union hours)- Monday through Friday). Work performed at non-regular hours will result in additional charges. Electrical hard-wiring required to power furniture must be performed by a licensed electrician. Due to insurance guidelines, installation personnel are prohibited from moving computer equipment.

CLAIMS

SELLER WARRANTS THAT THE GOODS ARE AS DESCRIBED IN THE INVOICE OR IN ANY SALES CONFIRMATION SIGNED BY SELLER. SELLER MAKES NO OTHER WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, AND ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED BY SELLER AND EXCLUDED FROM THIS WARRANTY. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty, concerning the goods sold by Seller, and unless an affirmation, representation or warranty, made by an agent, employee or representative is specifically included within the invoice or any sales confirmation signed by Seller, it has not formed a part of the basis of this bargain and shall not in any way be enforceable by Buyer. SELLER'S LIABILITY FOR BREACH OF THIS WARRANTY IS LIMITED TO REPLACING THE DEFECTIVE GOODS OR REFUNDING TO BUYER THE PURCHASE PRICE FOR THAT PORTION OF THE GOODS WHICH ARE DEFECTIVE, WHICHEVER REMEDY SELLER SHALL SO SELECT. IN NO EVENT SHALL SELLER BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL (INCLUDING, WITHOUT LIMITATION, LOST PROFITS), SPECIAL OR PUNITIVE DAMAGES FOR ANY CLAIM RESULTING FROM ANY CAUSE WHATSOEVER, WHETHER BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE REGARDLESS OF WHETHER SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL SELLER'S LIABILITY HEREUNDER EXCEED THE PURCHASE PRICE FOR THE GOODS REFLECTED IN THE INVOICE. The foregoing limitation shall survive notwithstanding failure of essential purpose of an exclusive or limited remedy.

This agreement shall be deemed for all purposes to have been made in Missouri and shall be governed by and construed in accordance with the internal laws of the State of Missouri, without regard to principles of conflicts of law, as the same may be from time to time in effect, including, without limitation, the Uniform Commercial Code as in effect in the State of Missouri, and shall not be governed by the United Nations Convention for the International Sale of Goods. Any cause of action arising hereunder shall be brought only in the Circuit Court of St. Louis County, Missouri, or the Federal District Court for the Eastern District of Missouri, which shall have sole jurisdiction over all controversies arising hereunder, and the parties hereby agree to submit to the jurisdiction of the courts thereof. Any action for breach of this contract must be commenced within two (2) years after the cause of action has accrued.

FORCE MAJEURE

Seller shall not be liable for failure to deliver or perform or for delays in delivery or performance occasioned by causes beyond its reasonable control, including, without limitation, strikes, lockouts, fires, accidents, interruptions in supply or materials, breakdowns, delays in carriers or suppliers and governmental actions and regulations.

OTHER PROVISIONS

Seller's failure strictly to enforce any terms or conditions of this agreement or to exercise any rights arising hereunder shall not constitute a waiver of Seller's right strictly to enforce such terms or condition or exercise such right thereafter. Each right or remedy granted to Seller hereunder shall be deemed cumulative and may be exercised from time to time. Any waiver of Buyer's default hereunder must be in writing and shall not operate as a waiver of any other default or of the same default thereafter. This proposal and any documents referred to on the face hereof constitute the entire agreement between the parties. If any provision hereunder shall be held invalid, illegal or unenforceable, such provision shall be severed from this Agreement and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.
