WEEP VENT PRODUCT OVERVIEW

Mortar Net® Weep Vents™ are the easy way to ensure masonry cavity walls drain correctly and maintain their finished appearance.

Unprotected weep holes are easily blocked by insects or debris, resulting in damage from water buildup and improper air movement. Mortar Net® Weep Vents™ help ensure that weep holes stay open and that walls always breathe, drain, and dry quickly and thoroughly.

Mortar Net® Weep Vents™ are available in a choice of attractive colors to match the mortar or brick beings used, eliminating open holes and dark shadows.

Please provide
color selection.

CANNON DESIGN SUBMITTAL NUMBER
RECEIVED DATE

- ☐ **A. No Exceptions Taken**
No further review of submittal is required.
- ☐ **B. Make Corrections Noted**
Incorporate corrections in work;
resubmission is not required.
- ☐ **C. Revise and Resubmit**
Revise as noted, and resubmit for review.
- ☐ **D. Rejected**
Submittal is not in compliance with Contract Documents;
provide new submittal.
- ☐ **E. For Record / Information Only**
Submittal was reviewed for Record / Information
purposes only.
- ☐ **F. Not Required for Review**
Submittal is not required by Contract Documents
and has not been reviewed.

Review is for conformance with the design concept of this project and for general compliance with contract documents. Contractor is responsible for quantities, dimensions and compliance with contract documents and for information that pertains to fabrication processes, construction techniques and coordination of this work with all trades which will be affected thereby. This review is null and void if submittal deviates from contract documents and does not indicate or note deviations.
