Review is for conformance with the design concept of this project and for general compliance with contract documents. Contractor is responsible for quantities, dimensions and compliance with contract documents and for information that pertains to fabrication processes, construction techniques and coordination of this work with all trades which will be affected thereby. This review is null and void if submittal deviates from contract documents and does not indicate or note deviations.

A/E COMMENTS

☐ See attached sheet(s) for additional comments

We have no issues with the coping as it is proposed.

Provide certification that this coping will be included in the total system warranty from the roofing manufacturer.

The color finish of the submitted coping sample is different from the approved coping color in submittal 077100-011, hence it is not approved. Coping color finish to be per approved color sample in submittal 077100-011.
