DATE
Review is for conformance with the design concept of this project and for general compliance with contract documents. Contractor is responsible for quantities, dimensions and compliance with contract documents and for information that pertains to fabrication processes, construction techniques and coordination of this work with all trades which will be affected thereby. This review is null and void if submittal deviates from contract documents and does not indicate or note deviations.

EuroTwill® Reversible Broken Weave

6450 Series (3% open)

This series features a sophisticated interwoven pattern of yarns in a broken twill-weave design. It is composed of sheer, fine polyester yarns with a PVC coating. The 6450 Series' nine neutral colors provide a complementary background element to a space. **To order the shadecloth's reverse side so that it faces the room, please add an "R" to its code, for example "6451R."**

Content: 75% PVC (coating), 25% polyester (yarn)
Openness factor: approx. 3%
(1% openness is available with minimum-quantity orders.)
Stocked: 98 in. (249cm) wide
(63 in./160cm, 78 in./198cm, and 118 in./300cm widths are available with minimum-quantity orders.)
NFPA 701-2004: pass

EuroVeil® Basket Weave

5300 Series (5% open)

This series consists of a thin, fine, see-through screen cloth for window shading. It features a soft texture in a broad range of colors, is ideal for office interiors, and complements today's minimalist architecture.

Content: 85% PVC (coating), 15% polyester (yarn)
Openness factor: approx. 5%
Stocked: 63 in. (160cm) and 96 in. (244cm) wide
NFPA 701-2004: pass
