

Webster University ISB Statement of Warranty

Conference Technologies, Inc. (CTI) guarantees that the system(s) are furnished free of defects in workmanship for a period of 90 days from the date of acceptance or date of first beneficial use whichever occurs first. Service for such defects during the workmanship guarantee period shall be provided at no additional expense to the Owner and shall be handled in a reasonable and timely manner, from the time of notification to CTI by the Owner.

Once the 90 day system warranty expires, the Conference Technologies, Inc. 24/7 Webster University Service Agreement will apply. The CTI 24/7 Service Agreement covers labor for Display Systems, Video Systems, Audio Systems, Control Systems, Lighting Systems, Rack Accessories and Furniture, and Miscellaneous cables, connectors, etc. This service plan provides audio/visual technician support and engineering service support to ensure the maximum performance and reliability of the audio/visual equipment.

Manufacturer's equipment warranties are of varying lengths. Conference Technologies, Inc. will provide to the Owner the manufacturer's equipment warranty for the term established by the manufacturer.
