WARRANTY

Guarantee Electrical Construction Company warrants to Paric Corporation for a period of (1) one year, commencing August 7, 2017 or when specific items are submitted to you in writing, for electrical work performed at the following location, 8274 Big Bend Blvd., Webster Groves, MO 63119 for the job titled Webster University ISB Building, Guarantee Project #11317 to be free from defects in material and workmanship, ordinary wear and tear and depreciation excepted, under normal use and service and which our examination shall disclose to our satisfaction to be thus defective. This is Guarantee Electrical Construction Company's sole warranty, and it neither assumes nor authorizes any person to assume for it, and other obligation in connection with the aforesaid electrical work. This warranty shall not apply to any equipment, material, or labor which has been repaired or altered in any manner so as in Guarantee Electrical Construction Company's judgement to affect its serviceability, or which has been subjected to misuse, abuse, negligence or accident, Acts of God, Acts of Terrorism, war, government restrictions or restraint, flood, fire, windstorm, lightning, or extraordinary demands beyond the normal design capability of the item(s) covered, or where the defect is in, caused by, or results from plans or specifications prepared by anyone other than Guarantee Electrical Construction Company. Under no circumstances shall Guarantee Electrical Construction Company be liable for any loss, damage, cost of repair, or consequential damages of any kind in connection with the aforesaid electrical work. Lamp life and/or materials covered by a manufacturer's warranty are not part of this warranty.
