Re: Webster University ISB Warranty

Dear Jason,

This letter is to confirm our warranty for the above referenced project. icon Mechanical warrants that the equipment furnished under our contract is completely installed and has been checked out to insure proper operation.

We guarantee the workmanship, material, and equipment for a period of one year starting, August 7th, 2017 and ending August 7th, 2018. If during this period any of the equipment covered under the contract fails due to defects in manufacture or installation, this equipment will be replaced or repaired, at our option, during normal working hours (8:00 a.m. – 4:00 p.m., Monday through Friday). There will be an extra charge of \$35.00/hr. for repair labor authorized after normal working hours.

Our guarantee does not include maintenance of equipment. It is necessary to complete a minimum of two routine maintenance inspections per year. Failure to do so will render our warranty null and void.

We do not cover replacement or repair of equipment damaged by over or under voltage, lack of proper maintenance, misuse, or “acts of God” such as lightning, hail, or etc.

If you have any questions concerning the above, please do not hesitate to call.

Sincerely,

icon Mechanical
