RE: *Warranty, Controlled Temperature Room, Webster University Interdisciplinary Science Building, § 130383*

Mr. Gates:

This letter is to certify that BioCold Environmental, Inc. warrants the following items furnished and installed on the Webster University ISB project's controlled temperature room per Specification Section 130383.

All warranty periods begin as of the revised date of substantial completion, August 7, 2017.

Ten-Year Warranty

Materials warranted against defects for a period of ten (10) years:

- **Prefabricated panels**

Five-Year Warranty

Materials warranted against defects for a period of five (5) years:

- **Refrigeration compressors**

One-Year Warranty

BioCold Environmental, Inc. warrants all other parts and components for a period of one (1) year, including the full replacement cost of any defective parts, and installation labor.

Regards,

Joshua Baker
