Twenty Year Guarantee Post Coated Kynar 500 Finish

OES Job Number: 27179, 27297, 27836
Building Description: Webster University Interdisciplinary Bldg.
Building Location: 8274 Big Bend Blvd. - 63119
Kynar Paint Color: UC125923F PEWTER
Completion Date: 8/7/2017

The Kynar 500 coating supplied on the above stated job is hereby guaranteed by the OMG EdgeSystems against CHALKING, FADING, BLISTERING, FLAKING, CRACKING or PEELING for a period of TWENTY YEARS from date of application subject to the following conditions

1. If after inspection by OMG it is determined that the coating became defective by BLISTERING, FLAKING, CRACKING or PEELING, under normal conditions of use and exposure, and within the guarantee period, OMG agrees that it will, at its option, replace or repair the defective material, on site, with conventional refinishing methods to be chosen by OMG. Interpretation of cracking does not include normal paint stress during metal forming.
2. This guarantee applies to the coating only and does not include defects resulting from sheets formed beyond the limits of the surface coating elasticity, such as flat hems and sharp bends. The guarantee also does not apply to damage resulting from faulty installation, abuse or misuse, lightning, hail storms, fire, harmful chemicals, fumes or vapors, acts of God.
3. OMG EdgeSystems' liability under this warranty is limited to refinishing or replacing the defective coated product. Refinishing of the defective coated product will be performing by using standard finish practices and materials (not necessarily a fluoropolymer coating) as selected by OMG EdgeSystems. In all instances, OMG has the option of determining which of the above will be utilized to fulfill its obligation under the warranty. OMG's share of the refinishing or replacement cost will be 100% during the first ten years of the warranty period; its percentage share will decrease at the rate of 10% per year thereafter during the remainder of the warranty period.
 - a. In no event will OMG's responsibilities exceed the cost of refinishing the defective coated product, and in all cases, OMG reserves the right to approve and/or negotiate the contract for such repainting. The warranty on any refinished or replaced product supplied hereunder shall be for the remainder of the warranty period applicable to the product originally coated.
4. There are no other warranties or guarantees concerning finishes expressed or implied, except such as are expressly set forth herein.

20 Year Excel Warranty

OMG EDGE SYSTEMS warrants that the purchased products made by OMG listed below will not blow off or leak in wind conditions up to 110 miles per hour (3 second maximum peak gust speed) for a period of 20 years from date of shipment. Furthermore, OMG EDGE SYSTEMS warrants that all purchased products made by OMG were manufactured of good material and workmanship according to OMG's specifications for five years from date of shipment. If, after receiving prompt written notice, OMG determines that the purchased products are not as warranted above, it agrees at its sole option to either repair, replace or refund the purchase price of the non-conforming products. Purchase price refunds include the cost of the product only and do not include installation, labor or other costs. In no event shall OMG's total liability exceed the purchase price of the non-conforming products, nor shall its liability include any consequential, incidental or indirect damages.

This warranty does not apply to results of normal wear and tear or failure to follow our maintenance instructions. This warranty also does not apply if the installer fails to follow our instructions or specifications.

This warranty expressly excludes all other written, oral, express and implied guarantees, representations and warranties, including warranties of merchantability and fitness for a particular purpose, whether by operation of law or otherwise.
