WARRANTY

All products are carefully manufactured, tested, inspected and packed. Water Saver Faucet Company (the "Company") unconditionally warrants all products against manufacturing defects. If any item, within one year after purchase, proves defective due to faulty workmanship or material, the Company will, at its option, repair the defective item or furnish a new item of the same type. No labor, transportation or other consequential damages will be allowed in any such case. Any modification, alteration or repair to an item manufactured by the Company by other than an authorized representative of the Company will nullify this warranty.

As the installation and use of the Company's products is beyond its control, no warranty of any kind is made by the Company as to the effects of such use or the results to be obtained therefrom. It is the Buyer's responsibility to select the appropriate product for the use which is intended and which will satisfy any applicable governmental codes, rules and regulations. The Company is not responsible for any losses which may result from selection and/or installation of products which are unsuitable or improper for a particular application, or which do not satisfy any governmental codes, rules or regulations.
